

8TH GRADE PHYSICAL SCIENCE SCHOOL FROM HOME

MS. LOWTHER

- In your folder you will find assignments related to the following subjects:
 - A. The Periodic Table of Elements
 - B. States of Matter
 - C. Physical and Chemical Changes
 - D. Conservation of Matter
 - E. Electricity and Magnetism
 - F. Potential and Kinetic Energy
 - G. More Energy Transformation
 - H. Electric Circuits
 - I. Properties of Waves
 - J. Understanding Sound
 - K. Electromagnetic Waves

-For each of the assignments you will need to write down 10 facts from the reading and answer all questions at the end of each assignment and if there are test you will need to answer all those.

-When you return to school you will need to turn these assignments with the folder. You will receive a grade for all assignments given to you.
